PPD111/05Rev.2 (F) (Pre-project)

STATE: Tripura (TFDPC)

Total Cost (in US \$)	:	58,114
ITTO Assistance (in US \$)	:	48,114
Assistance by TFDPC, Tripura Government (in US \$)	:	10,000

Status Report:

This pre-project proposal was approved by the ITTC in it's 38th Session at Brazzaville, Republic of Congo.

The Pre-project is on-going very successfully. A Study tour to China was made by the project managing agency i.e. Tripura Forest Development Corporation Ltd. to learn the potential of bamboo resource development for poverty alleviation in the Tripura State of India. A detail Study tour report to China in this respect has been submitted to ITTO.

[A film about the activities of the Tripura Forest Development Corporation Ltd. has been prepared by the Corporation.](#)

The ITTO Monitoring Committee meeting was held on 8th April, 2008 under the Chairmanship of DGF&SS. Shri P.K. Dass, Executive Director, Tripura Forest Development Corporation made a detailed presentation specifying the progress, achievements and current status of the project. He was asked to submit the detailed technical report as an output of the pre project.

Tripura Forest Development Corporation submitted a full project report subsequently which was sent ITTO the Project Screening Committee for necessary technical appraisal before submitting it to ITTO.
